Specification notes

- 01 The manufacturer may change the materials used in the construction of the products. This can affect the performance values shown in this catalogue.
- 02 For the precise specification and performance of your selected door, please contact Framelite. We will confirm the details for your proposed configuration.
- 03 This catalogue may contain typographical errors. The final product specification should be checked and agreed before ordering.
- 04 Colours, brightness and textures may appear differently on screen or in print. Please refer to physical samples when selecting finishes.
- 05 Images are illustrative. Handle positions may vary depending on the height of the door and the selected handle.

CORTIZO MILLENIUM PLUS

An entrance considered in every detail.

Send us your drawings, opening dimensions or preferred door models. We can help you explore the glazing, finishes and hardware, and prepare a quotation for your project.
